Dear Mr. Crawford:

I feel that our meeting in reference to the "Initial Assessment Study of Naval Air Station, Alameda, California" on Friday March 23rd was fruitful. As discussed, we would like to review all site investigation proposals before a study begins and request a site visit at your earliest convenience. Please telephone Mr. Ronald Clawson of my staff at 415-464-0656 to set up a time and date for the inspection.

We are looking forward to working with the U.S. Navy in a joint effort to protect the waters of the State of California.

Sincerely,

A handwritten signature in dark ink, reading "Donald D. Dalke".
